NIAGARA FALLS UMPIRES ASSOCIATION

Dear League Official,

The baseball season will soon be upon us. The following information will assist you in scheduling umpires for your league games.

1. Scheduling:

At least two weeks prior to your first game, please forward your league's schedule IN WRITING to the NFUA Summer Assignor. Please include date, time, field location, age group, and whether you are requesting one or two umpires. You will receive confirmation back that acknowledges receipt.

2. Cancellations Due to Weather:

To avoid a fee for rainouts and weather-related causes, you must contact the Summer Assignor by telephone, a complete voice mail message, or a text message, no later than 60 minutes prior to game time. Games cancelled after this will incur a one-half game fee per umpire.

3. Cancellations Due to Other Reasons:

If a game must be cancelled for reasons not related to weather, you must contact the Summer Assignor by telephone, a complete voice mail message, or a text message, no later than 24 hours prior to game time to avoid a fee. A non-weather cancellation made between 1-23 hours prior to game time will incur a one-half game fee per umpire. A non-weather cancellation made less than one hour prior to game time will incur a full fee per umpire.

4. Acknowledgement:

The Summer Assignor will respond to you to confirm schedule changes. If acknowledgement of the change is not received within four hours, please contact the NFUA President with the changes in the same method as noted above. Please note that although the NFUA will make every effort to have the two umpires available for every assignment when requested, we may be forced to drop down to one during our very busy summer weekend tournament schedule.

5. Contact Information:

Summer Assignor: Kevin O'Brien; email: kevinobrien73@gmail.com ; telephone (716) 228-3229.
NFUA President: Mike Salada; email: msalada@nfumpires.com ; telephone (716) 628-7892.

6. Rates:

Rates for the 2021 season are:
60-70 foot fields: one umpire \$55; two umpires \$106.
90 foot fields: one umpire \$65; two umpires \$112.

If you have any other questions, please contact us. We look forward to working with you this summer.
